CHARGES PRESIDENT FORCED RATE RAISE

Rep. Good Also Says Wilson Has Knocked Bryan Into "Cocked Hat."

ATTACK CAUSES UPROAR

WASHINGTON, Feb. 10 .- Charges that President Wilson used his influence with the Interstate Commerce Commission to obtain the 5 per cent, increas Eastern trunk lines were made in the House to-day by Representative Good of Iowa, a Republican, during consideration of the sundry civil appropriation bill. Mr. Good also read into the record the famous letter written by Mr. Wilson in 1907 to Adrian H. Jo-line, then president of the Missouri, Kansas and Texas road, asking if some

The charges caused an uproar and many Democrats defended the Presi-dent and Secretary Bryan, characterizing the charges as "loose and un-

The discussion was started by an amendment to the bill offered by Mr. Gillett of Massachusetts striking out the appropriation of \$3,000,000 for con-tinuing the work of making a physical

I want to congratulate the President en one of the greatest real accomplishments, in the minds of many people, of this Administration," Mr. Good said. "The President has found a dignified and effective way of knocking Mr. Bryan into a cocked hat. Never again will Mr. Bryan go into the States of Lowe and Networks where he formerly held sway, and say that the Demo-cratic party intended to reduce freight

Under the present Administration White House a man who will goods merchants.

Mr. Good also declared that the occur; either the employees will give commission whom he knew to be in favor of the rate increase and other-wise friendly to the railroads. He predicted that the Western lines would rate increase which is pending

Replying to Mr. Good's charge Reprecentative Gordon of Ohio declared the President had denied to him that he had influenced the commission.

"I have heard Republican members of this House make that charge repeat-edly, but I have never before heard it made on the floor of this House," de-clared Mr. Gordon. "I heard it so fre-quently that I asked the President about He told me he would no more think of attempting to influence the Interstate Commerce Commission than he would attempt to influence the judgment of the Supreme Court of the United States. The charge is absolutely false."

"Nevertheless, ninety days after the news of the President's attitude had been flashed through the country," re-torted Mr. Good, "the Interstate Com-

Mondell Enters Fray,

Representative Mondell, Republican, jumped into the fray.
"I think it is probably true," said he, "that it is impossible to prove that the President in any way influenced that action of the Interstate Commerce Comission. The very regrettable feature the situation, however, is that the resident in this case is unlike Casar's He is not above suspicion.

With Executive influence so apparent that all the world may know, I refuse to believe that the Interstate Commerce
